Confirmation

After May 1st, a late fee of \$75 is added to all accounts with incomplete health profiles and/or a remaining balance.
Please note: We are accepting (and prefer) payment mailed or dropped off at our office as it frees us up from fees and allows us to invest more into improvements and programming for the children. We do, however, accept payment by e-check as a convenience to those who cannot pay by another method.

\$35 non-refundable fee: Please be sure that you enter your bank account information correctly. Incorrect info will lead to a \$35 fee per account, per transaction by the financial company. THIS CANNOT BE REFUNDED.
