**Jenna M**

Hi! My name is Jenna and I will be attending Saint Joseph's University this fall as a freshman. As a Girl Scout, ayso referee, and babysitter, I have a great deal of experience in working with children. I also enjoy playing many sports such as soccer, basketball, and lacrosse. This will be my fourth year back as a counselor at Mountain Lakes and I am super excited to meet all the new campers in my group and can't wait for this camp season to come!

## **Andrew C**

Andrew is currently a sophomore in North Salem High School. He enjoys skiing in the winter and also playing the piano. Andrew has had some experience with children in the past. He was a camp counselor at his local church two summers ago and he occasionally assists his mother with her students at the pre-school she works at. Andrew always enjoyed going to Mountain Lakes when he was a camper and now looks forward to being a counselor.
