

# Pre K

## **Janice D**

Hi! My name is Miss Janice. I will be your teacher at camp. You will have so much fun at all the fun activities. I can't wait to meet you and have you in my pre-k group! Every day is a special day in the Pre-K cabin! There is always a new activity or special event going on.

## **Julie L**

Hi! I'm Julie, I'm a sophomore at SUNY New Paltz, and I'm studying art and psychology. In the future I hope to achieve a masters in art therapy, and work with young kids. I have been attending mountain lakes camp since I was 8, and this will be my fourth year working as a counselor! I am so excited to see some new faces and am looking forward to a great summer!

## **Isabel S**

Hi, my name is Isabel, but you can call me Izzi! I am seventeen, and I will be going into my senior year at John Jay High School in the fall. My favorite things to do in my free time are reading and playing tennis. I often babysit, and I really enjoy spending time with kids. This summer will be my third year working at Mountain Lakes, and I can't wait to meet my campers! I am looking forward to playing lots of games and going to all of the awesome activities at camp.

## **Cole P**

Hi! I'm Cole and I'm currently attending North Salem High School. I have a little sister and lots of friends with younger siblings and I love hanging out with them. I've been working at Mountain Lakes for three years, and I was a camper before that since Pre K! I'll do everything I can to give the kids in my group the best summer ever!

## **Lucy B**

Hi everyone! My name is Lucy, I'm 19 years old, and I'm from Somers. I just finished my second year at the Fashion Institute of Technology in New York City with a specialization in Textile Arts. When I finish school in the future I'd like to get my master's in education and become an art teacher. Aside from art and school, I love to bake and make up new recipes. I also love hiking and gardening. As for my experience working with kids, I regularly babysit children of all ages in addition to working at North Salem Day Camp ever since I was old enough to!

This will be my fifth summer as a counselor in the Pre-K program, and I absolutely love the age group. I can't wait for another awesome summer and look forward to meeting all the campers and their families soon!
