## Julia B

Hi my name is Julia! I graduated from John Jay high school this year and I'm still deciding on where I will be going next year. I will probably be studying business! I babysit a lot and I have worked at other day camps. I used to go to this camp as a kid and I have nothing but great memories! I love to play sports like field hockey and I love to swim. I am looking forward to meeting everyone and having a good time this summer!

## **Meaghan F**

Hi! My name is Meaghan, and I will be a senior at Brewster High School in the fall. I love to play sports and activities, and I play field hockey, track, and lacrosse during the school year. During the summer, working at camp with the kids every day is the best part! Last year was my first year as a counselor at North Salem Day Camp, and it was a blast! Every day was super fun, and I loved being part of a camp with such amazing people. I can't wait to start a new year and make more memories with the campers!

## **Joe F**

My name is Joe and I will be a junior at Somers High School this fall. I was a camper at Mountain Lakes since second grade and was a CIT for two years. In my free time I do volunteer work for the Somers LEOs club and have tutoring experience with kids. I love playing football and the guitar. I am very excited to meet the campers and have a great summer!

## **Brooke C**

My name is Brooke, i'm 15 years old and i'm a junior at Somers High School. I went to Mountain Lakes Camp for the first time when I was going into fourth grade, and I loved it so much that I came back again and again. I have always had such an amazing time at camp and I was so excited when I got the opportunity to be a CIT for three years! I was a CIT for many groups and had fun with every camper, I was even lucky enough last year to work in the art cabin and get to see all the campers throughout the summer. I love to do crafts and to make up new fun games with my friends and sisters. Some other interests of mine are music and sports, I played basketball and softball for many years. This camp year i'm really excited to spend time and get to know all my campers and make everyone's camp experience as good as mine was.
