

How to complete the health profile

Locate the email with the link to your CampDoc account to login (returning families) or create a new account.

All participants must have their health profile completed. Located in the right-hand column are the different pages that need to be completed. Click on the name of one to begin, and answer all questions until that section is complete. When it is completed, the red circle will change to a green checkmark. Continue to the next section by selecting a section that has not been completed (a section with a red circle). *You have finished the health profile once all sections are labeled with a green checkmark.*

The screenshot shows the CampDoc interface for a user named Jill Camper. The page title is "Jill Camper / Health Profile" under "North Salem Day Camp". The user is logged in as "User Test". The left sidebar shows navigation options: "Jill Camper" (selected), "Registration", "Health Profile", "Account", "Protection Plan", and "John CIT". A "+ NEW PARTICIPANT" button is also visible. The main content area is titled "Health Profile" and contains a welcome message, contact information for Lauren Rosasco, and a list of tips. The right sidebar shows a list of sections to be completed, each with a red circle: "Contact Information", "Health Information", "Medications", "Immunizations", "Allergies", and "Authorizations". Below this is a "DATES" section with "Due: April 1, 2018" and "Lockout: April 1, 2018", and a "CONTACT" section with Lauren Rosasco's details. A "PRINT" button is located below the contact information. At the bottom of the page, it shows "0% Complete" and a "CONTINUE" button with a right arrow. A blue arrow points to the "User Test" link in the top right corner.

Medications (including ALL Epi-Pens and Inhalers)

If your child has any medications that will be taken at camp, please input the information. You will then need to download/print the "Confirmation Form". Please have your pediatrician sign the form. This form then needs to be uploaded to the site- You may scan or take a photo of the form with a smartphone, then upload the file. Click on the red box to upload. You may also email a copy of it to us at camp@northsaalemny.org, drop it off at our office, or have your pediatrician fax it to us (fax# (914)669-8460) and we will upload it for you.

****All medications brought to camp must match this form EXACTLY. No generic meds unless your doctor has written the prescription for generic. (ex. If your doctor prescribes Benadryl, we must have the Benadryl brand, not a generic). This is a Department of Health regulation. Thank you for your cooperation in this.**
