Kelsey F

Hi! My name is Kelsey and I'm going to be your camp counselor this summer! I will be attending James Madison University this coming fall as a freshman majoring in Elementary Education. I love working with kids and I have a lot of experience. I babysit for all of the families on my road, work with children at my church, and have been working at Mountain Lakes for the last five summers. I love it! I also love to play volleyball, walk my dog, and play the guitar (though I'm not the best.) I can't wait to meet you all this coming summer and I hope we can have some fun in the sun!

Hailey V

Hi, my name is Hailey and I am currently a sophomore attending, North Salem High School. I have been working with children since fifth grade when I took the babysitting course at the public library in North Salem. I have been going to Mountain Lakes since I was in Preschool! I was a CIT for 2 years at camp and had so much fun with my little kindergarteners and second graders! I was also a counselor this past summer for the best first graders! On my free time, I love to play sports, hang out with my friends and family, and to bake. I am looking forward to meeting all of the new kids in my group this year and help out with all of the fun activities at camp! See you soon!
