## Grace C

Hi my name is Grace. I will be going into my first year of college, playing lacrosse at Rutgers University this upcoming fall. My life revolves around sports as my hobbies mainly include playing soccer, basketball and lacrosse. I plan on studying Education at Rutgers to become a teacher. I have been working with kids for many years now as a babysitter, coach and camp counselor. This will be my fourth summer as a counselor at Mt. Lakes camp and I'm looking forward to giving the kids a fun, memorable and safe camp experience just like I had when I was young at Mt. Lakes.

## **Kieran H**

Hi, I'm Kieran(keer-rin); I'm the one on the right. I will be a junior at John Jay High School in the fall. I have worked with children before, volunteering at my local library in the children's section. I interacted with the kids as well as helped the librarian with organizing and setting up. A few years ago, I went to North Salem Day Camp, being the fifth year I attended. I like reading, kayaking, hiking, and swimming. At camp this summer, I am looking forward to kayaking, meeting the campers, and being a role model for them. See you soon!

**Matthew R**

Hello everyone! My name is Matthew, and I will be attending NS High School as a Junior this coming school year. I have been going to Mountain Lakes during the summer for as long as I can remember, and have been a CIT for three years. I enjoy playing sports, playing video games, and getting together with friends. I look forward to sharing the same great experience I had at camp with each of you this year!
