

THE HAPPY CAMPER

2025

Week 5

ALOHA SESSION 3

Session 3 is here! Welcome to all of our new campers and welcome back to those who joined us for sessions 1 or 2!

The A La Mode Ice Cream truck will make it's final appearance of the summer at lunch on Wednesday. This is an optional activity. If your camper would like to purchase a ice cream or candy all money should be sent to camp in a labelled bag or envelope. Campers will be able to pick their own treat when they get to the truck. Please head to the website to [view price list and order form](#)

Welcome Foolish Mortals!! Thursday is Summerween at camp — a spooky summertime twist on Halloween! Campers are invited to come dressed in their favorite costumes (please leave masks, props, and fake weapons at home). Get ready for a frightfully fun day filled with themed games, creepy crafts, and plenty of silly scares!

Thank you to Lieutenant Brown and the North Salem Police Department for visiting camp and giving us an exciting behind-the-scenes look at his police cruiser! Campers learned about the lights and sirens, how flares are used to keep people safe, and even got to see the special gear used to catch a loose horse. We're so grateful for the opportunity to ask questions, explore the vehicle, and learn more about the important work our local officers do every day. We are super excited to learn more about our local heroes on Friday!

THE DIRECTOR'S CABIN

A NOTE FROM OUR AQUATICS TEAM

Dear Parents and Campers,

We're already more than halfway through the summer, and with these hot July days, campers have been loving their time in the pool more than ever!

At the pool, all campers are swim-tested on their first day, and those who want to try for a higher swim band can do so on any non theme day at the pool. We've seen so many campers proudly earn new bands and continue to grow their swimming skills—it's been awesome to watch! You can learn more about our pool, swim testing, and swim bands in our [Parent Handbook](#).

Please continue to pack a comfy towel each day and include sandals if your camper would like them for the pool area. (Remember, the pool and lake are the only spots at camp where sandals are allowed.)

This past week we had a splash-tastic time during Duck Day! Our amazing lifeguards and pool staff brought out their big collection of rubber ducks for all kinds of fun games and activities. Campers were all smiles as they raced, splashed, and QUACKED their way through one of the pool's favorite events!

CIT CORNER

SCHOOL SUPPLY DRIVE

This session CiTs will be collecting new and unused school supplies to support local students in need. All items donated to Community Center of Northern Westchester and their Erase the Need supply drive.

Many local children head to school each fall without the basic supplies needed: pencils, paper, notebooks, binders and erasers. With your help we can ensure that all students have the tools they need to succeed when they return to school this year. The Community Center anticipates that over 2,000 children will be relying on our support this fall!

Please help by donating **school supplies** such as three ring binders, lined paper, notebooks, folders, pencils, crayons, highlighters, markers, pens, and colored pencils. CiTs will be collecting donations at pick up and drop off each morning! Thank you!
