

# YEEHAW SESSION 3 AT NSDC

Welcome to all our new campers and welcome back to everyone that was here for Session 2!

Our campers had a blast cheering on their counselors at NSDC's Got Talent! Some fan favorites included hula hooping by Gabe in the Bears, violin from Sam in the Blue Jays, camp trivia from the Frogs, Chipmunks, Blue Jays and Foxes, singing by Ryan in the Eagles, and comedy acts from the Bobcats, Falcons, CiTs, and even our Runners! We are so lucky to have such talented staff!

The A La Mode ice cream truck is coming on Wednesday. This is an optional activity. If your camper would like to purchase an ice cream or candy from the truck, please use the price list & order form on [our website](#). All money should be sent to camp in a labelled bag or envelope.

Get ready to embark on a wild adventure this Thursday for Scales and Tails Day at camp! It's your chance to unleash your inner animal and show off your favorite creatures—from the majestic lions to the slithering snakes, let your imagination run wild! Dress up as your favorite jungle, forest, or sea creature and bring their spirit to life.

The last week of camp is Color Wars week. We encourage everyone to wear their team colors the final week. Make sure your campers show how their team is "Out of This World!" Teams are: Blue Moons (Chipmunks, Blue Jays, Eagles), Red Rovers (Tadpoles, Bobcats, CiTs), Green Aliens (Frogs, Bears, Falcons), Orange Asteroids (Foxes and Hawks). We can't wait to see who takes home the prize!

# THE DIRECTORS CABIN

## A NOTE FROM THE AQUATICS DIRECTOR

Dear Parents and Campers,

This week was the pool favorite DUCK DAY! The aquatics crew set up fun activities for the groups in both the pool and at canoe!

We're heading into our last session and have been having a blast at the pool each day! At the pool we swim test campers on their first day. We also test campers that would like to try and test up for another color whenever possible. We've had a number of campers test for and receive higher bands and are steadily improving their swimming abilities, which is wonderful to see!

Please remember to pack a comfy towel with your camper each day as well as sandals or crocs if wanted for the pool area. (The pool and the lake are the only place sandals and crocs are allowed at camp.)

We can't wait to finish this summer out strong with everyone!

# CIT CORNER SUPPLY DRIVE

This session CiTs will be collecting new and unused school supplies to support local students in need. All food is donated to Community Center of Northern Westchester and their Erase the Need supply drive. View the flyers [here](#).

Many local children head to school each fall without the basic supplies needed: pencils, paper, notebooks, binders and erasers. With your help we can ensure that all students have the tools they need to succeed when they return to school this year. The Community Center anticipates that over 2,000 children will be relying on our support this fall!

Please help by donating **school supplies** such as three ring binders, lined paper, notebooks, folders, pencils, crayons, highlighters, markers, pens, and colored pencils. CiTs will be collecting donations at pick up and drop off each morning! Thank you!
