I babysit for two families in my neighborhood. I took TOTS this past year in school (working with kids in education). I was a Counselor at Mt. Lakes last summer and before that I was a CIT for one year. I love softball. I play catcher and first base. I also like to sketch and listen to music. I'm looking forward to getting to know each of the campers in my group. Also, to learn and have fun!

Quin S

Hi my name is Quin, I attend Kennedy Catholic High School and will be a Junior this Fall. I have been at Mountain Lakes since I was a little camper and have worked my way up to a CIT. I have been a counselor for four summers at a camp for special needs children. I love to play lots of sports but especially lacrosse. I hope to learn new and interesting things about each camper and mostly to make every campers experience at Mountain Lakes a great one.
