Hi, my name is Caitlin. I will be a Sophomore at Fordham University in the Fall. I plan to study Biology and pursue a career in medicine. I worked as a camp counselor at Mountain Lakes Camp for the past two summers. I also skate and helped teach the Ice-Mice class to small children learning to skate. I babysit and have 2 younger brothers. I was also a camper at Mountain Lakes Camp and have always loved it! I worked at Lewisboro Ambulance Corp. as a first aider, and hope to become an EMT. I love to sing and play guitar. I ice skate and ski. I sang in a vocal jazz group. I love fashion and going into NYC. I'm so excited to be back at Mountain Lakes. I love the outdoors and have fun meeting new people.
