## Nicholas B

I am currently going to Western Connecticut State University in Danbury Connecticut. My major is media arts, which includes digital art and computer science. I plan on going for 4 years, in the hope to get my bachelors degree. This is my 10th year going to Mountain Lakes. I'm really familiar with the camp and I know a lot of the people in the community. Every year I meet new children from Mountain lakes and plan on growing a better friendship with them. My goal this year is to encourage the campers to participate in activities and make new friends. Also, I want them to have fun and make sure that they are safe.

## **Matteo R**

My name is Matteo. I will be a Senior at North Salem this Fall. This will be my second year working at the camp. My hobbies include motorcycle racing and fishing with the boys. This year, my goal for camp is to be the favourite counselor of the group.

## **Jackson N**

Hello! I am Jackson, a soon to be a senior at John Jay High School. I enjoy playing video games, going on hikes, and coding. This will be my second year as a counselor at North Salem Day Camp, and I hope to use my experience from last year to make this summer fun for my campers. I gained lots of experience with children last year and am looking forward to making their camp experience better.
