### An important note about morning drop-off:

If you need to get out of your car to assist your children, please park in a parking spot to help with the flow of cars in the drop-off zone. The drop-off zone should be for drop-offs only.

Remind your campers to check our **Lost & Found** to see if they recognize any of their belongings. We have lots of water bottles, towels, and lunchboxes.

The CITs are hosting a Food Drive on Monday and Tuesday as a part of their community service project. Please view their video [here](#) and consider donating!

Don't forget to check out the North Salem Recreation Dept's one-week camps in August, including multi-sports, lacrosse, floor hockey, baseball, basketball, craft camps, and Engineering Adventures (STEM). Register Online [here](#).

Thank you for a great summer!  
See you all next year!
