Tom B

Hi! Welcome back or if you are new, Welcome to Mt. Lakes! My name is Tom and I will be the CIT Director! A little about myself, I have recently graduated SUNY Oneonta with a degree in Biology. I am currently working towards the goal of getting my Master's in Education with the goal of becoming a Biology Teacher and Coach. I played collegiate baseball at Oneonta. This upcoming year will be my fourth year as Head Counselor at Mt. Lakes and I am excited to come back. A few hobbies of mine include baseball, basketball or any sport for that matter. I'm really looking forward to meeting all the kids and to having a great summer!

My goal for the kids is for them to have fun with their friends and enjoy the outdoors!

Simon R

Hello my name is Simon. I study Biology at WCC. This will be my third year as a Mt. Lakes counselor (second year consecutive). In my free time I like to watch the Yankees and frequently complain about cold weather. My goal this year for camp is to help everyone have fun because that's what camp is all about.
