## **Ryan R**

Hello, my name is Ryan and I attend North Salem high school and I am entering  
11th

grade. I have been a camper at Mountain Lakes since 2nd grade and have been  
a CIT for 2 years and was a counselor for the last two years. I am very familiar  
with all the activities that will keep you entertained this summer. I enjoy spending  
time with kids

and look forward to participating in activities with all of you. I also enjoy playing  
sports, especially 4 Square and basketball. This summer, I am looking forward to  
meeting everyone and going to the ice cream truck. I hope everyone will have a  
great time!

## **Caroline L**

Hello, my name is Caroline. This fall I will be a sophomore at John Jay High School. My favorite subject so far is science. Some of my interests are tennis, swimming, and camping. I have many years of babysitting and I have two younger siblings, one of which is a camper at North Salem. This summer I am most looking forward to enjoying the outdoors with my campers.

## **Michelle P**

My name is Michelle and I'll be going into my sophomore year (10th grade) at North Salem High School Middle School in the fall. I've been helping out as a CIT in camp for two years and I even started going when I got into Kindergarten! I always loved spending time with kids and doing what I can to help out. I've also looked after my younger cousins multiple times along with doing some help with the Warriors Club to do fairs for PQ. I really enjoy drawing and hanging out with my friends going shopping or simply walking around a town. I also really like going on my computer and playing games with people and getting creative in games, I also enjoy doing makeup and I've even helped out someone with their prom makeup! I'm really looking toward to the kids I meet and how I can help make their camp experiences amazing!

## **Luba T**

My name is Luba and I'm a counselor at mountain lakes this summer. This is my fifth year working at Mountain Lakes including the two years of CIT training I did before I became a counselor. I have lots of experience with children as I am the oldest of two younger siblings, a seven year-old and a thirteen year- old. In addition to that I babysit kids around my neighborhood all the time. In my free time, I really like to draw or paint. I'm also a runner and I love to swim, which means I'll definitely be in the pool with the campers on more than one occasion this summer. I started coming to camp when I moved here in fifth grade, I was really nervous when I first came because I was so afraid of not making any friends, but the atmosphere here is so fun and accepting that it's actually hard not to make friends. I look forward to creating this type of environment for my campers so that I can give them the same incredible experience I had as a camper. I'm also excited to see all of the friends that I made as a camper that I continue to get along with and talk to today. I'm excited to announce that in the fall I will be attending North Salem Middle/High School as a Senior. I can't wait to create an awesome camp experience for you and be the best counselor that I can be!
