## Kara R

Hi, my name is Kara! I currently attend North Salem High School, as I am a senior and will be attending college this fall studying Business Management. I have been a camper at Mountain Lakes since I was in the third grade, and this will be my third year as a counselor! I have worked with all different ages of children throughout my camp experience, and I also babysit a lot of kids in my neighborhood! As for hobbies, I love playing sports, especially soccer and basketball. I also enjoy hanging out with my friends! I am looking forward to meeting you soon and having a great summer at Mountain Lakes!

## Molly M

Hello there! My name is Molly McGuinness, and I am a former student of North Salem High School since I graduated last year. I am currently attending SUNY Purchase to earn a BSVA (Bachelors in Science and Visual Arts), with my main study being Drawing and Painting. I've had plenty of experience with children due to my own large family, me being one of the oldest out of many younger cousins. In the last few years, I have worked as a CIT and junior counselor with younger children at this camp and another called Hillside. So far, I have been a proud employee at Mountain Lakes for three years running. My time at this camp has been amazing because of how everyone operates like a big family, both with the counselors and the kids. Two of my favorite hobbies include drawing (which is a given for my college major), and writing on some occasions. This summer, I'm looking forward to making your child/children feel welcome, knowing that they can trust me like a big sister, and having the best time ever!
